Chattanooga Dance Theatre's School Showcase 2021

May 23rd, 2021 - Red Bank Park

Letter from the Director

Dear CDT Family,

I am so proud of how bright our students have shined this year. While it has not been easy wearing masks, having some classes at home, and having the threat of the pandemic lurking, our students have remained present, focused, and ready to dance. It is through these adversities that life truly happens and their character illuminates. I am so pleased the growth of our dancers this season as they rose to new heights in their dancing and in their development to become young adults. I know you will love seeing your shining stars this afternoon and know that, in part because of their accomplishments at dance this year, their futures are bright.

Sincerely,

Christine
